To Whom It May Concern

This letter serves as Brooklyn Theatre's recommendation for the services of Werner Stolze from *Werner Stolze - The Piano Whisperer*.

Werner comes highly recommended after providing excellent service to Brooklyn Theatre and our sister company, Salon Music. He has provided excellent work with regards to delivering pianos and tuning.

Recent projects with Werner Stolze include the sold out productions and live broadcast of *Piano Extravaganza* at both the Radio sonder Grense studios and Brooklyn Theatre.

Werner is most reliable, efficient and organised.

Yours Sincerely

Willem Vogel
