Aan Werner Stolze en maatskappy: The piano whisperer

Dankie vir die skenking van die funksie-vleuelklavier in Randburg op 19 Oktober 2018. Ek as vervaardiger en die CEO van VVM, Karin van die Venter – waardeer die moeite om hierdie instrument op die 5de verdieping te besorg. Ek stel julle graag voor vir ander geleenthede soos hierdie.

To whom it may concern:

The CEO of VVM, Karin van de Venter and myself as producer of many musical events and CEO of Niel Rademan Productions and the Hessequa Harmony (Classical Music Festival in the Western Cape) would hereby like to pay our gratitude to *The piano Whisperer* for great service and the provision of a grand piano on a rooftop-event in Randburg.

A handwritten signature in black ink, appearing to read "Niel Rademan". The signature is fluid and cursive, with a large, stylized 'R' at the beginning.
